III. Fees

A. Basic Rate.

The Resident, Resident's Representative and Resident's Legal Representative agree that the Resident will pay, and the Operator agrees to accept, the following payment in full satisfaction of the Basic Services described in Section I.B. of this agreement. The Basic Rate as of the date of this agreement is (\$ _____ per month), (\$ _____ per day), payable by the 15th of each month.

B. Supplemental, Additional or Community, Fees

A *Supplemental or Additional fee* is a fee for service, care or amenities that is in addition to those fees included in the Basic Rate. A Supplemental fee must be at the Resident's option. In some cases, the law permits the Operator to charge an Additional fee without the express written approval of the Resident (See Exhibit III.A).

A *Community fee* is a one-time fee that the Operator may charge at the time of admission. The Operator must clearly inform the prospective Resident what additional services, supplies or amenities the Community fee pays for and what the amount of the Community fee will be, as well as any terms regarding refund of the Community fee. The prospective Resident, once fully informed of the terms of the Community fee, may choose whether to accept the Community fee as a condition of residency in the Residence, or to reject the Community fee and thereby reject residency at the Residence.

Any charges by the Operator, whether a part of the Basic Rate, Supplemental, Additional or Community fees, shall be made only for services and supplies that are actually supplied to the Resident.

C. Rate or Fee Schedule.

Attached as Exhibit III.B. and made a part of this Agreement is a rate or fee schedule, covering both the Basic Rate and any Additional, Supplemental or Community fees, for services, supplies and amenities provided to You, with a detailed explanation of which services, supplies and amenities are covered by such rates, fees or charges.

D. Billing and Payment Terms Payment is due by the 15th of each month and shall be delivered to Housing Finance, c/o St. Mary's Hospital, 1300 Massachusetts Avenue, 5th Floor South, Troy, NY 12180. The rate specified above shall be due and payable on the first day of each and every month during the term of this agreement. Payment of the monthly service fee after the 15th day of the month when due may be subject to a 2% monthly late fee. This fee may be waived if payment is received in the Finance Office by the 30th of the month when due. The Resident or Responsible Party, if any, shall have the right to contest that there has been late payment or that such sums are actually due under this Agreement, and that in the event of such dispute, no late charges shall be imposed unless ordered by a court of competent jurisdiction, or unless otherwise agreed to by the parties.

E. Adjustments to Rate or Additional or Supplemental Fees

1. You have the right to written notice of any proposed increase of the Basic Rate or any Additional or Supplemental fees not less than forty-five (45) days prior to the effective date of the rate or fee increase, subject to the exceptions stated in paragraphs 3, 4 and 5 below.
2. Since a Community Fee is a one-time fee, there can be no subsequent increase in a Community Fee charged to you by the Operator, once you have been admitted as a resident.
3. If You, or Your Resident Representative or Legal Representative agree in writing to a specific Rate or Fee increase, through an amendment of this Agreement, due to your need for additional care, services or supplies, the Operator may increase such Rate or Fee upon less than forty-five (45) days written notice.

4. If the Operator provides additional care, services or supplies upon the express written order of your primary physician, the Operator may, through an amendment to this Agreement, increase the Basic Rate or an Additional or Supplementary fee upon less than forty-five (45) days written Notice.

5. In the event of any emergency which affects You, the Operator may assess additional charges for your benefit as are reasonable and necessary for services, material, equipment and food supplied during such emergency.

F. Bed Reservation

The Operator agrees to reserve a residential space in the Resident's absence, as specified in Section I.A.1. The charge for this reservation shall be \$ _____ per day. The total of the daily rate for a one-month period may not exceed the established monthly rate. The maximum length of time the space will be reserved is 30 days. A provision to reserve a residential space does not supercede the requirements for termination as set forth in Section XIII of this agreement. You may choose to terminate this agreement rather than reserve such space, but must provide the Operator with any required notice.

IV. Refund/Return of Resident Monies and Property

Upon termination of this agreement or at the time of your discharge, but in no case more than three business days after you leave the Residence, the Operator must provide You, Your Resident or Legal Representative or any person designated by you with a final written statement of your payment and personal allowance accounts at the Residence. The Operator must also return at the time of your discharge, but in no case more than three business days any of your money or property which comes into the possession of the Operator after your discharge. The Operator must refund on the basis of a per diem proration any advance payment(s) which You have made. If You die, the Operator must turn over your property to the legally authorized representative of your estate. If You die without a will and the whereabouts of your next-of-kin is unknown, the Operator shall contact the Surrogate's Court of the County wherein the Residence is located in order to determine what should be done with property of Your estate.

V. Transfer of Funds or Property to Operator

If You wish to voluntarily transfer money, property or things of value to the Operator upon admission or at any time, the Operator must enumerate the items given or promised to be given and attach listing of items to be given or transferred to this agreement. Such listing is attached as Exhibit V and made a part of this Agreement. Such listing shall include any agreements made by third parties for your benefit.

VI. Property or items of value held in the Operator's custody for You.

If, upon admission or any other time, you wish to place property or things of value in the Operator's custody and the Operator agrees to accept the responsibility of such custody, the Operator must enumerate the items so placed and attach to this agreement a listing of such items. Such listing is attached as Exhibit VI of this Agreement.

VII. Fiduciary Responsibility

If the Operator assumes management responsibility over Your funds, the Operator shall maintain such funds in a fiduciary capacity to You. Any interest on money received and held for You by the Operator shall be Your property.

VIII. Tipping

The Operator must not accept, nor allow Residence staff or agents to accept, any tip or gratuity in any form for services provided or arranged for as specified by statute, regulation or agreement.

IX. Personal Allowance Accounts

The Operator agrees to offer to establish a personal allowance account for any Resident who receives either Supplemental Security Income (SSI) or Safety Net Assistance (SNA) payments by executing a Statement of Offering (DSS-2853) with You or Your Representative.

You agree to inform the Operator if you receive or have applied for Supplemental Security Income (SSI) or Safety Net Assistance (SNA) funds.

You must complete the following:

I receive SSI funds _____ or I have applied for SSI funds _____
I receive SNA funds _____ or I have applied for SNA funds _____

I do not receive either SSI or SNA funds _____

If You have a signatory to this agreement besides yourself and if that signatory does not choose to place your personal allowance funds in a Residence maintained account, then that signatory hereby agrees that he/she will comply with the Supplemental Security Income (SSI) or Safety Net Assistance (SNA) personal allowance requirements.

X. Admission and Retention Criteria for an Assisted Living Residence

1. Under the law which governs Assisted Living Residences (Public Health Law Article 46-b), the Operator shall not admit any Resident if the Operator is not able to meet the care needs of the Resident, within the scope of services authorized under such law, and within the scope of services determined necessary within the Resident's Individualized Services Plan. The Operator shall not admit any Resident in need of 24-hour skilled nursing care. Guidelines specific to admission and discharge criteria are provided in Exhibit IV of this agreement.
2. The Operator shall conduct an initial pre-admission evaluation of a prospective Resident to determine whether or not the individual is appropriate for admission.
3. The Operator has conducted such evaluation of yourself and has determined that You are appropriate for admission to this Residence, and that the Operator is able to meet Your care needs within the scope of services authorized under the law and within the scope of services determined necessary for You under Your Individualized Services Plan.
4. If You are being admitted to a duly certified Enhanced Assisted Living Residence, the additional terms of the "Enhanced Assisted Living Residence Addendum" will apply.
5. If You are being admitted to a Special Needs Assisted Living Residence, the "Special Needs Assisted Living Residence Addendum" will apply.
6. If You are residing in a "Basic" Assisted Living Residence and Your care needs subsequently change in the future to the point that You require either Enhanced Assisted Living Care or 24-hour skilled nursing care, You will no longer be appropriate for residency in this Basic Residence. If this occurs, the Operator will take the appropriate action to terminate this Agreement, pursuant to Section XIII of the Agreement. However, if the Operator also has an approved Enhanced Assisted Living Certificate, has a unit available, and is able and willing

to meet your needs in such unit, You may be eligible for residency in such Enhanced Assisted Living unit.

XI. Rules of the Residence

Attached as Exhibit XI. and made a part of this Agreement are the Rules of the Residence. By signing this agreement, You and Your representatives agree to obey all reasonable Rules of the Residence.

XII. Responsibilities of Resident, Resident's Representative and Resident's Legal Representative

A. You, or Your Representative to the extent specified in this Agreement, are responsible for the following:

1. Payment of the Basic Rate and any authorized Additional and agreed-to Supplemental or Community Fees as detailed in this Agreement.
2. Supply of personal clothing and effects.
3. Payment of all medical expenses including transportation for medical purposes, except when payments is available under Medicare, Medicaid or other third party coverage.
4. At the time of admission and at least every twelve (12) months thereafter, or more frequently if a change in condition warrants, providing the Operator with a dated and signed medical evaluation that conforms to regulations of the New York State Department of Health.
5. Informing the Operator promptly of changes in health status, physician, or medications as such changes occur.
6. Informing the Operator promptly of any change of name, address and/or phone number.
7. Providing furnishings for your room, except for those provided by the operator and outlined in Exhibit IA2. Operator shall be required to allow only those furnishings and equipment which do not endanger the Resident's health, safety or well-being, which are specifically designed for persons with dementia and support daily activities and are appropriate to function.
8. Provision of those services (professional hair grooming, dry cleaning, special events, transportation) as outlined in Exhibit IC.

XIII. Termination and Discharge

This Residency Agreement and residency in Hawthorne Ridge may be terminated in any of the following ways:

1. By mutual agreement between You and the Operator;
2. Upon 30 days notice from You or Your Representative to the Operator of Your intention to terminate the agreement and leave the facility;
3. Upon 30 days written notice from the Operator to You, Your Representative, Your next of kin, the person designated in this agreement as the responsible party and any person designated by You. Involuntary termination of a Residency Agreement is permitted only for the reasons listed below, and then only if the Operator initiates a court proceeding which results in a favorable outcome for the Operator.

The grounds upon which involuntary termination may occur are as follows:

1. You require continual medical or nursing care which the Operator is not permitted by law or regulation to provide;
2. Your behavior poses imminent risk of death or imminent risk of serious physical harm to You or anyone else;
3. You fail to make timely payment for all authorized charges, expenses and other

assessments, if any, for services including use and occupancy of the premises, materials, equipment and food which You have agreed to pay under this Agreement. If your failure to make timely payment resulted from an interruption in your receipt of any public benefit to which You are entitled, no involuntary termination of this Agreement can take place unless the Operator, during the thirty-day period of notice of termination, assists You in obtaining such public benefits or other available supplemental public benefits. You agree that You will cooperate with such efforts by the Operator to obtain such benefits.

4. You repeatedly behave in a manner that directly impairs the well-being, care or safety of Yourself or any other Resident, or which substantially interferes with the orderly operation of the Residence;
5. The Operator has had his/her operating certificate limited, revoked, temporarily suspended or the Operator has voluntarily surrendered the operation of the facility;
6. A receiver has been appointed pursuant to Section 461-f of the New York State Social Services Law and is providing for the orderly transfer of all residents in the Residence to other residences or is making other provisions for the Residents' continued safety and care.

If the Operator decides to terminate the Residency Agreement for any of the reasons stated above, the Operator will give You a notice of termination and discharge, which must be at least 30 days after delivery of notice, the reason for termination, a statement of your right to object and a list of free legal advocacy resources approved by the State Department of Health.

You may object to the Operator about the proposed termination and may be represented by an attorney or advocate. If You challenge the termination, the Operator, in order to terminate, must institute a special proceeding in court. You will not be discharged against your will unless the court rules in favor of the Operator.

While legal action is in progress, the Operator must not seek to amend the Residency Agreement in effect as of the date of the notice of termination, fail to provide any of the care and services required by Department regulations and the Residency Agreement, or engage in any action to intimidate or harass You.

Both You and the Operator are free to seek any other judicial relief to which they may be entitled.

The Operator must assist You if the Operator proposes to transfer or discharge You to the extent necessary to assure, whenever practicable, Your placement in a care setting which is adequate, appropriate and consistent with Your wishes.

XIV. Transfer

Notwithstanding the above, an Operator may seek appropriate evaluation and assistance and may arrange for Your transfer to an appropriate and safe location, prior to termination of a Residency Agreement and without 30 days notice or court review, for the following reasons:

1. When You develop a communicable disease, medical or mental condition, or sustains an injury such that continual skilled medical or nursing services are required;
2. In the event that Your behavior poses an imminent risk of death or serious physical injury to him/herself or others; or

3. When a Receiver has been appointed under the provisions of New York State Social Services Law and is providing for the orderly transfer of all Residents in the Residence to other residences or is making other provisions for the Residents' continued safety and care.

If You are transferred, in order to terminate Your Residency Agreement, the Operator must proceed with the termination requirements as set forth in Section XIII of this Agreement, except that the written notice of termination must be hand delivered to You at the location to which You have been removed. If such hand delivery is not possible, then the notice must be given by any of the methods provided by law for personal service upon a natural person.

If the basis for the transfer permitted under parts 1 and 2 above of this Section no longer exists, You are deemed appropriate for placement in this Residence and if the Residency Agreement is still in effect, You must be readmitted.

XV. Resident Rights and Responsibilities

Attached as Exhibit XV and made a part of this Agreement is a Statement of Resident Rights and Responsibilities. This Statement will be posted in a readily visible common area in the Residence. The Operator agrees to treat You in accordance with such Statement of Resident Rights and Responsibilities.

XVI. Complaint Resolution

The Operator's procedures for receiving and responding to resident grievances and suggestions for change or improvement in the Residence's operations and programs are attached as Exhibit XVI and made a part of this Agreement. In addition, such procedures will be posted in a readily visible common area of the Center. The Operator agrees that the Residents may organize and maintain councils or such other self-governing body as the Residents may choose. The Operator agrees to address any complaints, problems, issues or suggestions reported by the Residents' Organization and to provide a written report to the Residents' organization that addresses the same.

Complaint handling is a direct service of the Long Term Care Ombudsman Program. The Long Term Care Ombudsman is available to identify, investigate and resolve your complaints in order to assist in the protection and exercise of Your rights.

XVII. Miscellaneous Provisions

1. This Agreement constitutes the entire Agreement of the parties.
2. This Agreement may be amended upon the written agreement of the parties; provided however, that any amendment or provision of this Agreement not consistent with the statute and regulation shall be null and void.
3. The parties agree that assisted living residency agreements and related documents executed by the parties shall be maintained by the Operator in files of the Residence from the date of execution until three years after the Agreement is terminated. The parties further agree that such agreements and related documents shall be made available for inspection by the New York State Department of Health upon request at any time.
4. Waiver by the parties of any provision in this Agreement which is required by statute or regulation shall be null and void.
